## Money Talks...Use Your Voice!

Support MH-PAC and elect legislative candidates who work for:

- ✓ *privacy of mental health records,*
- ✓ *respect for quality mental health treatment,*
- ✓ *empowering clinicians & consumers to be heard!*

Six mental health groups in Washington have been working to achieve the above goals through **MH-PAC**, a political action committee which has made contributions to the campaigns of candidates who demonstrate a willingness to support ethical mental health treatment for the past 16 years, raising over **\$50,000** to support these candidates. **MH-PAC's** rate of successful endorsements overall is 93%! Political action committees are the most effective way to make our voices heard – by electing candidates who support access to ethical mental health treatment.

Please join your colleagues in the *Northwest Alliance for Psychoanalytic Study, Northwest Psychoanalytic Society and Institute, Seattle Psychoanalytic Society and Institute, Washington State Coalition of Mental Health Professionals and Consumers, Washington Mental Health Counselors Association, and the Washington State Society for Clinical Social Work* – will make for a strong well-funded PAC. Our goal for the 2014 election cycle is \$5,000. Please contribute your support to our ability to influence legislative mental health policy.
